| **DART 1000 – First Year Experience** | **2** | | |

**Please note:** Students that wish to pursue any of the 2yr career programs offered at Darton State College will be placed under the A.S. Health Science degree with a double major in the preferred program. The courses to be completed for the degree will vary based on the student's preferred area of study (2nd Major). Therefore, it is important to meet with an advisor to map out the best educational path to achieve his or her goal. Completion of the general education courses required for the preferred program should be priority.
