Selective Service Verification

Based on information you provided on FAFSA, your registration with Selective Service could not be confirmed. Before any federal aid can be awarded this issue must be resolved by one of the following options.

1. If already registered, provide Selective Service number to Darton Financial Aid Office.
2. You are female. (Please submit birth certificate to Darton Financial Aid Office)
3. Served on Active Duty. (Please submit, other than dishonorable, DD214 to Darton FAO)
4. Must write Selective Service to get a Status Information Letter addressing failure to register. A request may be downloaded from www.sss.gov to print, complete and mail to SSS. You will be required to provide a complete description about your situation; where you were living during the period to be registered (ages 18 – 26), whether you were incarcerated, institutionalized, or proof of citizenship status during that period, etc. For questions, contact 1-888-655-1825. If approved, Selective Service will send you a General Exemption Letter. Once received, submit to Darton's Financial Aid Office.

Until this matter is resolved, you will be ineligible to receive any Federal or State financial aid.
