

The Darton College *Brick & Bench* Campaign

Darton College is offering you the chance to leave a legacy, celebrate your achievements, honor a loved one, remember a friend, and support scholarships and programs.

Our “**Legacy Walk**” campaign is designed to give you a chance to honor your past, recognize the present, and leave your imprint on the future. This special opportunity allows you to “etch in stone” your support of the College, alumni, faculty, staff, students, and friends.

As we approach the successful completion of the new Administration Building, we would like to give you the chance to inscribe a brick with your personal message to be permanently displayed on the new Administration Building’s front walk. These pavers and the memorial benches which will be displayed throughout the campus will allow you to share with others your personal history in the Darton College story.

Take advantage of this special offer to “etch” your name into Darton history by ordering your brick or bench today, and help our students who might not pursue their dreams of a college education to achieve their fullest potential.

If you would like to order a brick or a bench, please print and fill out the information below and return it with your check made payable to the Darton College Foundation, 2400 Gillionville Rd., Albany, Georgia 31707.

Name _____

Street Address _____ City _____ State _____ Zip _____
