

COMPREHENSIVE COURSE GUIDE

COURSE DEPARTMENT AND NUMBER: ART 2150

TITLE: Computer Art

CREDIT HOURS: Three (3)

CONTACT HOURS: Six (6)

COURSE DESCRIPTION: In this introductory lab course, students explore the computer and digital technologies as tools to produce personal and creative work in preparation for careers in commercial and fine art. Students are introduced to the digital imaging power of Adobe Photoshop and commonly used page layout and graphic design software programs.

PREREQUISITE: None

FREQUENCY OF OFFERING: Fall and Spring

REQUIRED TEXTS: Adobe Photoshop CS2 Classroom in A Book Text and CD, Adobe Creative Team, 2005 Edition, Adobe Press

SUPPLEMENTAL READING MATERIALS: The student is required to furnish storage media for storage of course projects.

SUPPLEMENTAL MATERIALS: The student is required to furnish a ZIP 100MB disk.

COURSE OBJECTIVES:

To complete projects and exercises that demonstrate a comprehension of specific techniques of art production software.

To integrate elements of visual design and principles of composition into assigned projects.

MINIMUM PROCEDURAL REQUIREMENTS:

1. Complete all assignments in required time
2. Be prompt to class
3. Be articulate and present work and ideas in a clear understandable manner
4. Be informed and curious about what is being done
5. Give best efforts to this course
6. Be prepared every day with supplies.
7. Completion of a minimum of one written research paper.

CRITIQUES: Critiques will be held at the conclusion of each project or as announced. The critique sessions are intended to serve as an open forum for the critical evaluation and discussion of students' work. Both the positive and negative aspects of students'

ART 2150

work will be addressed. Each student will be provided with a predetermined, equal amount of time to discuss the work and concepts. The student's total participation is essential. The student must **BE PREPARED** and **BECOME INVOLVED!**

POLICIES:

1. Attendance - It is the policy of this college that students are expected to attend all of their scheduled classes, laboratories, or clinical sessions when reasonably possible. Some justified and unavoidable absences are expected. Absences in excess of 10% of the sessions scheduled will reduce the final grade for the course by a letter grade, i.e. a letter grade of an A is reduced to a B. A student is expected to account for absences, preferably in advance, to the instructor of the course and, at the discretion of the instructor, to promptly make up the work missed.
2. Make-up work - Due to the nature of art classes, make-up work is most difficult, however, not impossible. All work assigned must be available on the last day of class.
3. Methods and Criteria for Evaluation: The student will be graded on his/her ability to exhibit a comprehension of the issues and goals established for each project. Grades will be based on application of design principles, creativity, effort, and craftsmanship. Final grades will be determined by class attendance and an average of class project grades.

Letter Grades

A -- 90- 100

B – 80 - 89

C – 70 - 79

D – 60 - 69

F – below 60

4. Plagiarism - Presenting someone else's phrasing and/or ideas as one's own will result in Q for the assignment and may result in an E for the course.
5. Disability - In compliance with the Americans with Disabilities Act (ADA), Darton College will honor requests for reasonable accommodations made by individuals with disabilities. Students must self-disclose their disability to the Office of Disability Services before academic accommodations can be implemented.
6. Electronic Devices – It is the individual student's responsibility to silence the ringer of his or her cell phone, beeper, or any other device before entering a class (including guest lectures and performances/recitals). The production of

any audible alert by these devices when a class is in session is considered disruptive classroom behavior. The instructor may take appropriate actions to curb such disruption in accordance with the College's Policies of Disruptive and Obstructive Behavior under Code of Conduct in the Student Handbook.

7. Demonstrating Professional Studio Attitude – All students will be expected to maintain their space and the general studio environment, while also respecting the rights and property of their classmates at all times.

Congratulations on your completion of reading this comprehensive course guide, which will certainly give you a better chance to succeed in this course. Please log into **MyDC** and send an email message to your instructor to acknowledge that you have read the complete document and understand the objectives, requirements, and policies of this course.
