

BUSINESS COMPUTER SYSTEMS (0357)

Network Support Engineer Option (5357)

NAME _____

ADVISOR _____

The student must demonstrate a competency in basic computer concepts. This can be accomplished through either attaining the CompTIA A+ Certification or earning a minimum grade of "C" in COPR 2250 – Computer Systems Support I. Exceptions are made for students with exceptional computer experience and are made by the director of the program as needed. Applicants having passed any of the MCSE 2003-track exams prior to taking the equivalent course can be exempted from that course. However, any MCSE NT4-track or 2000-track exams or courses will NOT transfer into the current program.
